MISSION ANNOUNCEMENTS

Habitat for Humanity Update

Team Build - The Habitat project to construct housing for vets and seniors in the Township of Washington has been further delayed. We hoped to do a Church Team Build in September, but the earliest possible time would now be in November (*brrr*) and even that seems unlikely –Stay tuned.

ReStore - Habitat Bergen opened its Restore in August. (A Habitat ReStore sells new or gently used home furnishings and construction materials at low prices; revenues help local Habitat building projects. The store (at 121 Carver Avenue, Westwood) needs volunteers for customer service, stocking, pricing, and cleaning incoming furnishings. If interested, please contact Helen Koons at helenknkk@aol.com.

Christmas in July - We raised (*you* donated) **\$1,975** for the Christmas Fund, the UCC outreach to help retired clergy as well as other church employees who are struggling with emergency financial hardships. Your 2017 contributions were well ahead of the \$1,010 raised in 2016.

THANK YOU!

*

Food Pantry – In July, thanks to your generosity, we sent a total of **\$2,200** to local food banks (\$1,750 to Center for Food Action and \$450 in ShopRite gift certificates to St. Peter’s food pantry). Your Mission Team is particularly grateful for your support of this food outreach during the summer, when food bank donations are typically sparse, and children are out of school. Our \$2,200 contribution in July was in addition to the \$2,000 which we gave in April, for a **2017 total so far of \$4, 200!!** **THANK YOU!**

Haiti –Update from the UCC on how our \$1,500 donation is helping.

Funds have been used to repair and strengthen 400 homes, two schools and community buildings. Seeds and microcredits are being provided to farmers, and animal shelters, grain storage facilities, and rural access roads are being repaired

House of Hope, an ecumenical Christian project with UCC participation, is helping families (who also survived the 2010 earthquake), restoring self-sufficiency in commerce and farming. The project includes help with restocking for shop owners, and replacement of farm animals, revitalization of gardens, repair of corn mills and improvement in water supplies. House of Hope also provides the children with school uniforms, shoes, books, and notebooks.

Your donation through the January Haiti Dinner continues to help.

*Thank you all**

Mind the Gap

It is one of my background, semi-conscious memories of travel in London some years ago. The London Underground—the Tube—is *the* way to get most everywhere. In this great subway system, the train whooshes in. And what do you hear from the loudspeaker system? “Mind the gap . . . mind the gap . . . mind the gap.” You cannot imagine that anything could fit between the threshold of the open train door and the platform. But tragic experience (especially on our New York subways) teaches us that things can be lost—even lives can be lost—by slipping through the cracks.

Here at FCC, Autumn’s energy is suddenly at our door. Church school start-up, my Installation as Settled Pastor, goals which we have been talking about since last winter . . . and an essential network of People, Teams and Task forces, and Staff by which we try to fulfill our call to:

- ◇ grow in deeper relationship with God and one another.
- ◇ equip people to live as disciples of Jesus.
- ◇ serve our community, our world, and each other.
- ◇ reflect the grace and truth of Jesus Christ.

There are many FCC folks who are participating in essential ministries large and small, from teaching and ushering to serving coffee on Sunday to serving the special needs community of Second Sunday; from maintaining the library to maintaining the website. There is our amazing community outreach of Pumpkin Patch.

Yet some things are bound to fall through the cracks. Two examples most on my heart right now are our staffing needs and building needs:

- Our Administrative Assistant, Heather, has learned her way into the position incredibly well in the Summer months. But her employment needs have necessitated her transition out to a full time job. Even as we have the great work of Elaine as Finance Secretary, and Nicole’s wonderful interim work in Christian Education and family ministries, our progress toward our ministry goals is slowed by our staff searches.
- Our ability to proceed with the essential core of building renovations (access, hospitality, and mechanicals) will need our deepened financial stewardship and fiscal responsibility for us to proceed to “break ground.”

I know what this means; you do, too. Our need to “fill the gaps” as members and friends of FCC becomes all the more essential, in order to keep growing, equipping, serving, and reflecting the grace of Christ.

What we need most of all is for *you* to mind the gap. We cannot be the church Christ calls us to be without you being the hands of Christ. It is September, a time of new beginnings in the church. What new thing might you be called to do? What gap are you being called to mind? Speak up about it! Offer your time, ask your brothers and sisters (including me, Team Chairpersons and “Patch” coordinators) at FCC what need they see that you could fill. Let’s all work together to live faithfully, truthfully and gratefully.

Godspeed,
Pastor Dennis

*A Roadmap for
September Worship Times
at First Congregational Church*

Many special celebrations of new beginnings this Autumn bring this Fall schedule:

September 3 - 10 a.m. The last Sunday of the Summer schedule.

September 10 - 10 a.m. Fall Kick-off and Commissioning of Church School and Family Ministries.

September 17 - 10 a.m. Service of Installation of the Rev. Dennis TeBeest as Settled Pastor of First Congregational Church.

September 24 - The full schedule of Worship, Church School & Confirmation begins.

ANY QUESTIONS?

FYI, both the content and the schedule of Fall Bible Study are a little up-in-the air!

- My proposal, earlier this summer, for a six-week *Living Our Questions* study, based on your questions and ideas for subjects, still needs many more questions and ideas! If you have one, *please submit* it in the offering plate, or the basket in the Parlor!!
- UCC requirements for me to secure Dual Standing necessitate full-day classes on many Wednesdays this Fall . . . making Wednesday Noon studies impossible. Stay tuned for a likely Tuesday Noon schedule. (Possible dates include 10/3, 10/24, 10/31, 11/7, 11/14). Or speak up if you prefer an evening class!

Stay tuned,
Dennis

USHERS NEEDED

The Worship Team welcomes you to become an usher. What do ushers do? They ready the sanctuary by turning on lights, unlocking doors, handing out bulletins, lighting candles, welcoming long-time friends and new/returning visitors, ringing the steeple bells, collecting the offering. You would work on a team with others who will help guide you as you learn the routines. Your team will be scheduled only **once every 9 weeks**.

If you would like to join this rewarding mission, please contact Jenn Young (Jlf0721@yahoo.com, 201-906-1682) or Janet Arena (jga125@aol.com, 201-261-6143).

CHRISTIAN EDUCATION

Summer Activities Program

I would like to thank all children and families that helped make the summer activities program a great success! Our children had the opportunity to spend some time with their church school friends just having fun and enjoying time together. In addition to the activities done on Sunday mornings, we went to the zoo, had a family bible night and a church picnic at the pool! Thanks again for all of your support.

Welcome Sunday

The Education Team is getting ready for another exciting year of church school filled with fun and learning. Please join us on Welcome Sunday, September 10th to reconnect and commission our Church School Teachers. A special visitor or two from the Bergen County zoo is in the works for our children to enjoy with their church school classes. Please return your Church School registration forms ASAP. Can't wait to see all of you then!

Church School Teachers Needed

The Christian Education Team is in need of teachers for the 2017-2018 church school year. We are mostly in need of help for our Pre K-K class. If we can get up to 4 volunteers for this team, it will only be a once a month commitment. Our hope is

to get enough volunteers to be able to have co-teachers which will eliminate the need for our teachers to teach every week. Not having enough support can dramatically affect the learning of our children. If you are interested in volunteering, please contact Nicole at nbabington@bergen.edu.

Children's Message

Our weekly children's message plays an important part in getting our children involved in the service of worship. It also gives the members of the congregation an opportunity to show our youngest members that we have a lot to teach them and that we care about their faith development. I will be reaching out for volunteers in the coming months, so please consider giving 5 minutes to our children.

Confirmation Class 2018

The 2017-2018 Confirmation program is currently a work in progress. Registration packets have been sent out to all eligible children. Please return them ASAP to help assist in the planning process. A parent/teacher meeting will be scheduled soon, so keep an eye on your inbox.

Childcare 2017-2018

The Christian Education team is in need of volunteers who are interested in helping out with childcare. Volunteering will allow parents the opportunity to worship while their young children are being properly supervised. Depending on the willingness of all of you, we are looking at possibly 2-3 Sundays/volunteer throughout the year. This is a very small commitment that has an extremely large effect on our congregation. Supporting young families will help us grow! Please contact Nicole at nbabington@bergen.edu and say you will help!

General Synod Letter from Rev. Lauri Craig of FCC Haworth

*“There is a river whose streams
make glad the city of God.” (Psalm 46)*

Dear Ones,

GENERAL SYNOD 2017

At General Synod 31 of the United Church of Christ in Baltimore, MD, each morning and each time we entered the Convention Center, we were greeted and welcomed with phrases like “Hello to all you beautiful and beloved people of GOD!”

At the beginning of worship we were welcomed with “Hello Church/General Synod 31 !” Bob and I were privileged to serve as 2 of the over 250 volunteers, plus almost 100 youth stewards from our Central Atlantic Conference. Our jobs were to welcome and greet, to guide and assist, to help delegations find their place in the business sessions, to usher and offer the sacrament of Holy Communion during worship, and to strive to embody the extravagant welcome that is ours in the UCC to each and all of the almost 4000 of us in attendance.

It was a time of great learning, soul searching, expanding our understanding of major political, spiritual and global concerns, and reconnecting with long time colleagues, former parishioners and friends, and meeting new ones from all over the country as we listened, prayed, laughed and cried together.

We were inspired by the creative and challenging worship services. Our hearts and minds and spirits were nurtured and challenged and our eyes were opened to new and innovative ways of being the “beloved people of God.”

It was exciting and a privilege to listen to our newly elected Minister of Justice and Witness as she preached and challenged us to new heights and depths of awareness. Our President and General Minister, the Rev. John Dorhauer was a very present and approachable presence throughout the week, and at Saturday’s worship he challenged us “to follow God’s call to build a just world for all as a united church.”

He called the entire denomination to pull together under a new, shared mission — the **Three Great Loves initiative**. “What is Three Great Loves?” It is a call to the love of children, to the love of neighbor, and to the love of creation. During the next biennium, we want to discover what an entire denomination committed to Three Great Loves can do to change the world.”

From now through the 2019 General Synod in Milwaukee, Three Great Loves seeks to build on and amplify the sacred work UCC churches are already doing in their communities to care for children, reach out in welcome to their neighbors, and act as good stewards of the earth and all creation.

Rev. Dorhauer invited participation around this shared mission, urging congregations and other ministerial settings to explore new ways to embrace those commitments with a clear intent and shared purpose in a dedicated call to action over the next two years.

“There will be three significant requests of you: three occasions in which we invite us all to participate as one in a collective effort. Each of the *Three Great Loves* will have a dedicated call to action with three components: an invitation to *give*, an invitation to *act*, an invitation to *connect*.”

He outlined three initiatives — in the winter of 2017, a denomination-wide drive to provide basic human needs items to shelters housing refugees or the homeless; next fall 2018, there will be a denomination-wide school supplies drive to address inequalities in our education systems, and at Synod in 2019, a sponsored 5K walk to raise money and awareness for the earth.

Over the course of the two years, on the *Three Great Loves* website, the national setting will be collecting stories from commitments to the love of children, the love of neighbor, the love of creation, and how those ministries have had an impact. The UCC is also looking to lift up *Three Great Loves*

Heroes.

“Our hope is to be able to document 50 percent congregational participation by Synod 2019; to collect 3,000 stories from across the denomination about how we are building a **Just World for All** through love of children, love of neighbor, and love of creation; to collect 100 stories from other covenant partners, like our CHHSM agencies; and we want to name 300 *Three Great Loves* Heroes.

He urged Synod participants to get started on this mission today, signing up in to be part of the *Three Great Loves* online community. “*Three Great Loves* is an invitation to act as one and to deepen our impact by pulling together in love, for justice, and with purpose,” Rev. Dorhauer said “As disciples of the Risen Christ, we call ourselves to embody love and incarnate justice.” “Hey, United Church of Christ. The Holy Spirit is relying on you, and envisions a future in which you matter.”

I invite all of us to pray about our part in this exciting new initiative and be pro-active in living into and acting upon our commitment to our church, our community and our world! I can’t wait to see where God will lead us.

Blessings to all!

Rev. Lauri Craig

Thank you for all your good wishes for my future endeavors! As I have told you, resigning my position at First Congregational was sad, but something I had to do.

Love,
Theresa Wallace

My Dear Friends,

Thank you so much for the lovely cards you have sent to welcome me in my new home in Chatham, "Juniper". I am very happy here in a two-bedroom and bath apartment with good food, warm people, and lots of activities and some very good entertainment. I miss my church and you all. Thank you again for the loving thoughts you send my way.
