

All Wrapped Up

*Each year, we get the holiday 'wish' lists of struggling local folks
--children, parents, disabled seniors--
And each year, our generous church family members fulfill as many of
those wishes (really needs) as possible.*

*In this tougher-than-usual 2020, our help is more crucial than ever
Please "Adopt" a needy child, struggling parent, disabled senior*

The specific lists will be available after November 9th. *

Please volunteer now if you wish to 'adopt.'

Please Email: helenknkk@aol.com with your preference(s):

- ✦ If you indicate that you'd like to help a child, age range is from toddler to teen.
- ✦ If you indicate that you'd like to help a parent, that also benefits their children!
- ✦ If you indicate that you'd like to help a senior, keep in mind that not only the list item(s) but a few (inexpensive) surprises might cheer a lonely holiday
- ✦ If you indicate that you will adopt most needed, that flexibility would be great!

***If you indicate that you'd like to 'adopt',
we'll email or call you with information about your 'adoptee' when
the wish lists are available after Nov. 9th***

Gifts will need to be at church by the first week of December

Let's help our struggling neighbors
