

First Congregational Church's Sunday School Programs

Every Sunday at 10 a.m.

Beginning 9/20

Times are changing, but God's light remains....

Pre-k—Elementary

Due to our current situation, we have chosen a curriculum to allow children to learn together in a safe environment. All children ages 3-12 will be using One Room Sunday School by Cokesbury. It contains resources and activities tailored to pre-school, younger and older elementary grades. These activities will lead them to a deeper understanding of each Bible story. We will continue to encourage buddy activities in a safe manner. The materials will also allow our teachers to mold the lessons based on the ages of our group. It could also work if virtual teaching becomes a necessity.

Jr. Youth Class

This class will continue to use the **Colaborate** Bible Study by Spark. It contains activities and poses questions that allow the youth to engage with each other and the Bible.

Confirmation

The class will continue to work towards Confirmation by:

- Lessons from *Affirming Faith*
- Attending worship
- Meeting with mentors
- Creating faith statements
